

## Login to Adobe Creative Cloud

When signing into Adobe Creative Cloud **do not login using your student email address**, Adobe needs to know you are signing in from Belridge Secondary College.

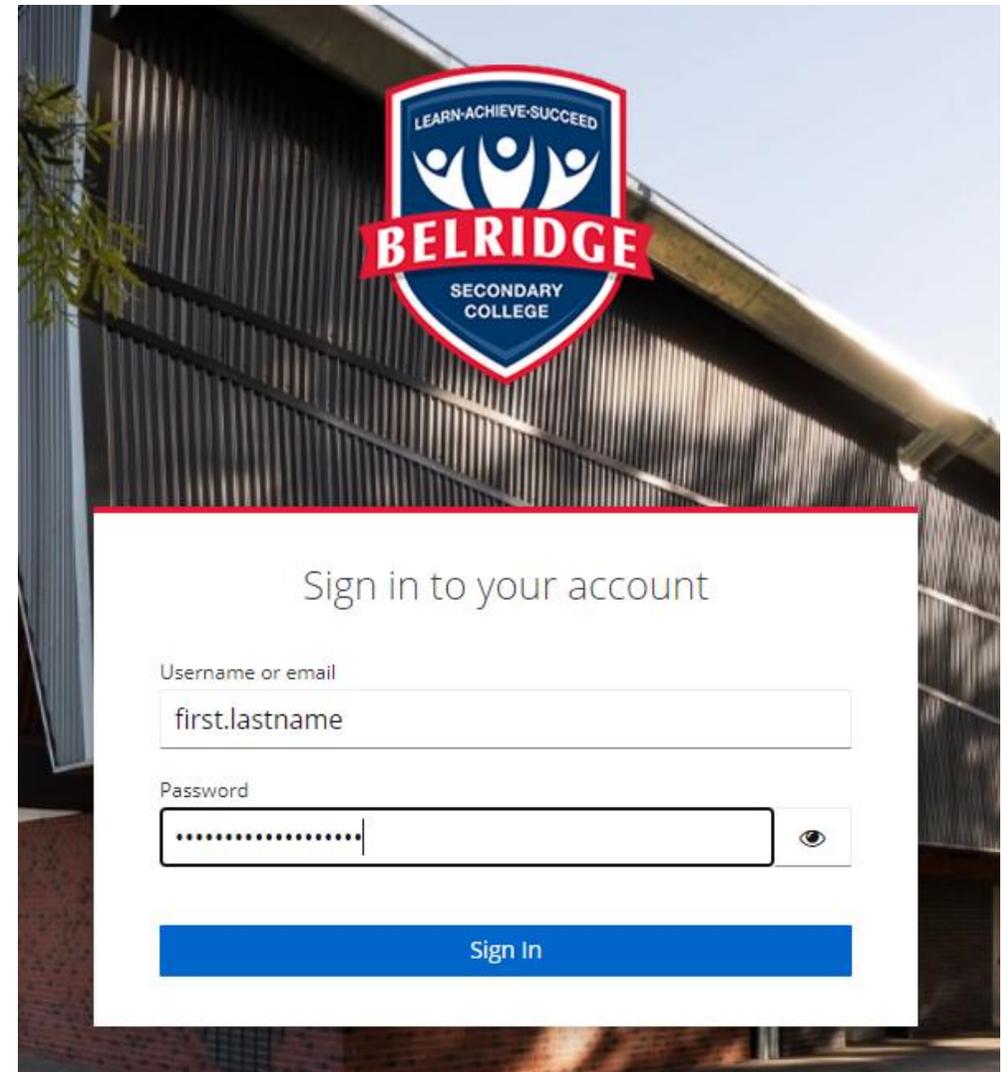

Use this Email when you sign in:

**adobe@belridgecollege.wa.edu.au**

The screenshot shows the Adobe Creative Cloud sign-in interface. At the top, it says "Sign in". Below that, there is a link for "New user? Create an account". The "Email address" field contains "adobe@belridgecollege.wa.edu.au". There are "Cancel" and "Continue" buttons. Below the email field, there is an "Or" separator. There are three social login options: "Continue with Google", "Continue with Facebook", and "Continue with Apple". At the bottom, there is a link for "More sign-in options" and a link for "Get help signing in".

Adobe will then send you to the school login portal to sign in with your **School username and password**.

The screenshot shows the Belridge Secondary College login portal. At the top, there is a logo for Belridge Secondary College with the motto "LEARN-ACHIEVE-SUCCEED". Below the logo, the text "Sign in to your account" is displayed. There are two input fields: "Username or email" containing "first.lastname" and "Password" containing a series of dots. There is a "Sign In" button at the bottom.
